Office of Legislative Counsel

Thursday - 8 August 1952

- - - - -

1. I have handed Senator O'Mahoney, Chairman of the Armed Services Subcommittee of the Senate Appropriations Committee, the Director's letter of 4 August 1952 and thanked him for his assistance in connection with our budgetary problems.

2. Mr. Adams, of the office of Senator Moody, called regarding a letter which [] has written to Mr. STATINTL Hedden. In addition, [] has written the Senator that he is corresponding with various universities to support his resolution before the Association of Political Scientists that the relationships of CIA with universities in general be the subject of investigation. I informed Mr. Adams that on 5 August we had written [] that STATINTL cancellation of the program in which he was to teach was done without prejudice to him personally or to his future Government employment. Mr. Adams requests a statement that the program was cancelled for reasons other than security. However, this is stronger language than we can use under the circumstances.
